Mr D'Souza is a consultant surgeon working on the NHS at the University Hospital Lewisham. He provides ENT and Facial Plastic Surgery services to the people of South East London, Sidcup, Orpington, Bromley and other surrounding areas.

He has a particular interest in Plastic, Reconstructive and Cosmetic Surgery of the Face, Head and Neck and runs a Combined Dermatology/Facial Plastic Surgery Clinic at University Hospital Lewisham. This clinic specialises in treating skin cancer of the face, head and neck.

Mr D'Souza received his training in Dublin and Birmingham. He obtained further super-specialist training in facial plastic and cosmetic surgery in Europe and North America.

Mr D'Souza has published a number of original articles in peer reviewed medical journals and has authored chapters in facial plastic surgery textbooks.

He is actively involved in training and teaching postgraduate doctors, GPs and is a faculty member on Facial Plastic Surgery Training Courses.

HE IS A MEMBER OF FOLLOWING PROFESSIONAL BODIES

- American Academy of Facial Plastic and Reconstructive Surgery
- European Academy of Facial Plastics Surgery
- The British Association of Otorhinolaryngology and Head and Neck Surgery
- British Medical Laser Association
- British Thyroid Association
- British Medical Association
