

Dr. Can Alper Cagici was born on 27th January, 1971 in Adana. He completed his primary school and high school education in Adana. He then attended Medical School at the Hacettepe University (Ankara, Turkey) and graduated in 1996. Following graduation, Dr. Cagici joined the Hacettepe University Medical School (Ankara, Turkey) Department of Otorhinolaryngology Head and Neck Surgery, completing the residency in June 2001. He works as an otorhinolaryngologist since 16 years in Baskent University Adana Teaching and Medical Research Center. He leads clinical and experimental studies in the Otorhinolaryngology Department. Since 2001 Dr. Cagici has published some papers in peer reviewed journals, many of which can be reviewed on this mail under “ Academic studies” section. Dr. Cagici has also shared his expertise by teaching residents. In 2017, he was titled as “Professor of Otolaryngology Head and Neck Surgery”. Dr. Cagici is currently working in Baskent University Adana Teaching and Medical Research Center. He is married and has two sons.

Duties:

General Secretary of Turkish Facial Plastic Surgery Association

President of Turkish Facial Plastic Surgery School

Legal and Institutional Relationships Advisor of Turkish Otolaryngology-Head and Neck Surgery Association

One of the Chairs of 12. Annual National Congress of Turkish Facial Plastic Surgery Association

Chair of Non-invasive Facial Rejuvenation Focus Group of Turkish Society of Facial Plastic Surgery

Chair of Institutional Relationships Focus Group of Turkish Society of Facial Plastic Surgery

Chair of Legal Focus Group of Turkish Society of Facial Plastic Surgery

Memberships:

Cukurova Society of Otorhinolaryngology Head and Neck Surgery

Turkish Society of Otorhinolaryngology Head and Neck Surgery

Turkish Society of Facial Plastic Surgery

The European Academy of Facial Plastic Surgery

European Rhinologic Society
